All bowlers must use their proper average as per the requirements below.

1. Highest final USBC average of at least 21 games from the 2010-11 season shall be used as the entering average.
2. NO summer league averages will be accepted.
3. Any bowler without an established USBC average from the previous season must use their highest current league average of at least 21 games as of 1 week prior to event. This Average MUST be certified in writing by the league secretary, and presented at least ½ hour before bowling. Bowlers who fail to supply this information will bowl scratch.
4. It shall be each bowler's responsibility to verify their average prior to start of event. Failure to use the proper average, or to make a correction prior to completion of the first game, shall disqualify that bowler's scores if the submitted average is lower than the actual average. Scores shall be based on the submitted average if it is higher than the actual average.
5. **Rule 319-a2** (10 pin rule), **319-d** (previous winnings) and **319-e** (average adjustment) will NOT apply.
6. Tournament management reserves the right to re-rate any entrant prior to participation. Any bowler who refuses to accept a re-rating will have their entry fee returned 100%.
